Western Wisconsin Communications Cooperative (WWCC) is introducing a new service! **Direct Bill Payment** automatically pays your cable bill for you. The amount is drawn from your checking or savings account the 20TH day of each month. It makes keeping track of bills and due dates a breeze. Plus you don't have to change your present banking relationship to sign up.

How does Direct Bill Payment work?

WWCC works with your bank and automatically withdraws the money for your cable bill each month.

How do I sign up?

Just fill out the easy authorization form below, include a voided check or deposit/withdrawal slip, and return or mail it to our office.

Do I get a statement or receipt?

Yes, you get a normal cable bill showing the amount that will be paid with a message stating that direct payment was made. Your bank statement will act as the receipt of payment by clearly itemizing the payments.

Is there a charge for the service?

No, there is no charge at all. Plus you don't have to pay for all of those checks and stamps!

How long does it take to start working?

It takes one billing cycle to begin the automatic process. You just pay your cable bill the month you sign up, and the next month your bank will pay it for you.

What if I don't want the payment to go?

You simply write a letter to WWCC and let us know. WWCC must receive the letter at least seven (7) days prior to the payment date.

How do I cancel this service?

Simply write a letter to WWCC requesting cancellation of this service.
